Tennessee Wellness Academy

Supplemental Parking Area

For student convenience, White Crow Yoga (dba Tennessee Wellness Academy) has made arrangements for overflow parking with our very gracious neighbors at the Victory International Church next door.

You are welcome to use the area along the green fence at the rear of the church property for parking your vehicle. In order to allow as many cars as possible to use the lot, please park facing toward (or facing out from) the green fence. Parking spaces are not painted, so simply use your best judgement. (A diagram for your reference is provided below)

Referencing the green arrows in the diagram below, note you can enter the lot from the right or left of the church building. **The left of the building provides more maneuvering ability** so we would recommend entering the lot on the left side of the church.

We ask that when walking over to the Academy from the church lot, for your safety please use the church's drive (as shown in diagram with red arrow) as opposed to the street pavement between the Academy and the church. That pavement area is the driveway to the apartments behind the Academy and has frequent traffic.
